MANAGEMENT'S DISCUSSION AND ANALYSIS

LADDERUP IN FY18 – BUSINESS & FINANCIAL PERFORMANCE

Ladderup Finance Ltd. (LFL)

LFL being a registered NBFC with RBI has been primarily engaged into A) Investing in securities of listed and unlisted companies and B) Lending activities.

The investment portfolio of your company is diversified across various sectors such as financial services, QSR, healthcare, retail, packaging, information technology, real estate, etc. Your Company, as in the last few years, continues to evaluate investment opportunities in transactions with good growth prospects. The Company invests in listed and unlisted growth oriented companies. Entry and exit strategies are driven by various factors that could be overall market perspectives, industry or company specific.

For Financial Year 2017-18 on a standalone basis, the Company's profit after tax stood at ₹ 635 Lakh as against ₹ 1262 Lakh in the previous year thereby a decrease in profits of about 50% as compared to the previous year. As the nature of the company's business is to invest, hold and exit, the profit so materialized during the year may not essentially reflect the true picture of performance. The accrued profits/loss will be recognized in the year of sale.

Ladderup Wealth Management Private Limited (LWMPL)

LWMPL's business has continue to get the momentum and the company has done well during the year. The company has a niche business of advising clients on right investing across asset classes. It has always been endeavour of the company to ensure safety first and then maximise the return. For Financial Year 2017-18 the Company's profit after tax stood at ₹ 114.53 Lakh as against profit of ₹ 44.96 Lakh in the previous year. Assets Under Management exceeded ₹ 600 crore in the year 2017-18.

The Company continues to adopt the best practices while continuously evolving to improve the service delivery to clients through integrity, transparency and competence.

ECONOMIC & INDUSTRY OVERVIEW

The projection for GDP growth for 2018-19 has been retained at 7.4% as projected in the April policy of Monetary Policy Committee (MPC) of Reserve Bank of India (RBI). India has emerged as the fastest growing major economy in the world as per the Central Statistics Organisation (CSO) and International Monetary Fund (IMF) and is expected to be one of the top three economic powers of the world over the next 10-15 years, backed by its strong democracy and partnerships. According to Central Statistics Office (CSO), the Indian economy posted a growth rate of 7.7% during Q4 – January-March 2018, enabling the country to retain its position as the fastest growing major economy. The RBI has estimated GDP Growth in a range from 7.4% to 7.9% for FY 2019-20. India has positioned itself as the most dynamic emerging economy among the largest countries and is expected to remain the fastest growing on the back of robust private consumption and noteworthy domestic reforms gradually being implemented by the Government.

The Indian Economic growth is projected to strengthen to above 7%, gradually recovering from the transitory adverse impact of rolling out the Goods and Services Tax ('GST') and demonetisation. In the longer run, GST will boost corporate investment, productivity and growth by creating a single market and reducing the cost of capital equipment. After suffering from a temporary setback, the economy is bouncing back and consumption is driving growth.

While a fiscal deficit of 3.5% of the GDP was achieved in 2017-18 higher than 3.2% budgeted last year, the same is projected at 3.3% of GDP for the year 2018-19, higher than the fiscal consolidation target of 3%.

MANAGEMENT'S DISCUSSION AND ANALYSIS

India's current account deficit (CAD) for 2017-18 has widened on the back of a higher trade deficit. According to the RBI data, the CAD for last fiscal widened to 1.9 per cent of the GDP (Gross Domestic Product) from 0.6 per cent in 2016-17.

The economic activity is expected to gather pace in FY 2018-19, benefitting from a conducive domestic and global environment. The key drivers supporting growth will largely be domestic and policy driven. The economy is poised to benefit from receding implementation troubles on Goods and Services Tax ("GST") resulting in higher tax collections, re-capitalisation of public sector banks and the resolution of distressed assets under the Insolvency and Bankruptcy Code, 2016. Given that this is a run up to the election year, the Government's thrust on Rural and Infrastructure sectors could rejuvenate Rural demand as well as Infrastructure and Consumer spending.

The problem of Non-Performing Assets ("NPA") in the banking sector is expected to peak by March 2019 at approximately 11% of gross banking advances. This will restrain the banking system from growing in aggregate. The changing behaviour of the retail consumer is reflected in credit off-take becoming increasingly broad-based and Financialisation of savings. All of these factors augur well for Non-Banking Finance Companies ("NBFCs").

Inflation decline in the month of February 2018 was only temporary and inflation is expected to remain within RBI's tolerance limits. RBI is, hence, expected to remain neutral on the policy rate front for most part of FY 2018-19, unless there is clearly an oil price based shock to inflation.

FINANCIAL SERVICES INDUSTRY

India's diversified financial services sector is undergoing rapid expansion, both in terms of strong growth of existing financial services firms and new entities entering the market. The sector comprises of commercial banks, non-banking financial companies, co-operatives, pension funds, insurance companies, mutual funds and other financial entities. A fast-growing economy, rising income levels, higher financial savings, greater propensity to spend and improving life expectancy rates are some of the encouraging factors that are likely to boost growth in the sector in the coming years. Over the past few years, the Reserve Bank of India (the RBI) has been steadily implementing technology to deepen and broaden financial services in India. Innovative steps like introduction of small finance banks and specialized payment banks have been implemented.

The Mutual Fund (MF) industry in India has seen rapid growth in Assets Under Management (AUM). Total AUM of the industry stood at ₹ 23.26 lakh crore (US\$ 360.90 billion) as of April 2018. At the same time the number of Mutual Fund (MF) equity portfolios reached a record high of 2.27 billion in February 2018.

Another crucial component of India's financial industry is the insurance industry. The insurance industry has been expanding at a fast pace. The total first year premium of life insurance companies grew 17.35 per cent year-on-year to reach US\$ 25.44 billion during April 2017-February 2018.

Going forward, reforms in foreign direct investment, implementation of Goods and Services Tax (GST), and revival in external demand are likely to contribute to a better growth outlook.

NON-BANKING FINANCE COMPANY (NBFC)

Non-Banking Financial Institutions (NBFI)s have always played an important role in financial service sector of India, when it comes to providing loans to the commercial sector. Non-Banking Financial Companies (NBFCs) specialize in meeting credit requirements and providing financial services. They provide financing for physical assets, commercial vehicles, assets of financial sector, and 76% of the total assets of NBFI)s. Around 11,522 NBFCs are registered under RBI, of which 178 are deposit taking NBFCs, and 220 are Non-deposit taking and systemically important NBFCs. (Source: RBI report on trend and progress of banking in India).

MANAGEMENT'S DISCUSSION AND ANALYSIS

Since the past few years, NBFCs have been experiencing a double digit growth, leading to stabilization of the economy on account of bridging the financial gap. Loans and advances grew at 6.6% in first half of FY 2017-18, as against 12.7 in FY 2016-17. NBFCs are estimated to grow at a moderate rate of 16-18% in FY 2017-18, higher than 15% in FY 2016-17. This growth is driven by rise in SME credit and other key target asset classes. The growth pressure of NBFC sector, is likely to be from Loans Against Property (LAP) and SME segment, which constitute 25% of the total retail NBFC credit.

Data published by the RBI in its Financial Stability Reports dated 30th June, 2017 and 21st December, 2017 shows that the NBFCs have outperformed scheduled commercial banks (SCBs) on growth in advances, asset quality and profitability. This growth momentum of NBFCs should result in their share in the financial services sector increasing in the near future.

With banking sector moving towards recapitalization, and Indian banks facing the challenge of increased Non-Performing Assets (NPAs) in their books, the NBFC sector is expected to get a boost. As the state-run banks will control their lending activities, NBFC sector is anticipated to grow, as more people will start coming to NBFCs for their credit requirements. The NBFC sector is expected to grow at a faster rate by 2020 and the NBFC sector's share in Indian credit market, is expected to grow at 19% by 2020 as against 12% in 2014. (Source: CRISIL)

WEALTH MANAGEMENT

The financial year 2017-18 witnessed a whole host of activities. The financial year started by shading the demos of demonetization that had sucked up the entire liquidity from the market.

However, demonetization turned out to be a blessing in disguise for the banking and financial services industry as a lot of uninvested cash came back into the mainstream and got deployed into various financial products during the year. The year also saw the historic launch of GST culminating an exercise that was on for 2 decades.

Equity markets continued to grow on the back of various positive development through most of the financial year. The fixed income market, however, saw a lot of volatility with yields climbing up consistently through the year.

The overall outlook on the economy has continued to remain positive and most of the macroeconomic fundamentals have shown improvement.

Our wealth management business also did well on the back of positive sentiment as well as our continuous efforts in business development and investment strategies.

We witnessed almost a 40% rise in our assets under management during the year. A large portion of that has come into equity assets. We wish to continue to build business by enhancing our investment proposition and expanding the team.

OPPORTUNITIES

The sentiment in the Indian financial market has changed considerably over the past few years. Economic growth, though subdued for last couple of years, is likely to show positive momentum over the coming years. This has presented opportunities for lending to Indian corporate and investments in the vibrant secondary as well as primary markets. The following factors present specific opportunities across our businesses:

- Growing Corporate activities and related need for investments;
- Credit penetration in India is low as compared to other economies. On similar benchmarks, the non-bank finance penetration in India is even lower;

MANAGEMENT'S DISCUSSION AND ANALYSIS

- Growing midsize segment of corporate activity where the need for customised solution is particularly high;
- Low penetration of financial services and products in India along with unique nature of credit demand makes difficult traditional bank lending;
- Digital trends in consumer and MSME to offer new disruptive opportunities for innovation and partnerships;
- Deepening of wholesale debt markets to provide easier access to funds;
- Regulatory reforms including policy framework aiding greater participation by all class of investors;
- Growing Financial Services industry's share of wallet for disposable income;
- Wealth management business is transforming from mere wealth safeguarding to growing wealth;
- Emerging technology to enable best practices and processes;
- Size of the Indian capital market and favourable demographics like huge middle class, relatively large younger population with disposable income and investible surplus and risk taking abilities of the youth.

THREATS

Despite great opportunities, there are significant factors presenting threats to our businesses viz.:

- Impact on economic growth of the rising prices of oil and industrial raw materials, decelerating investment demand and high inflation;
- Regulatory changes impacting the landscape of business;
- Increased competition from local and global players operating in India.

However, your Company is well aware of the above threats and has worked steadily to strengthen its business operations by putting appropriate policies and measures in place and well-positioned to counter any adverse threat successfully.

RISK MANAGEMENT

The risk for the Company arises mainly out of the risks associated with the operations we carry. Experienced professionals review and monitor risks in our Company. We have comprehensive risk management policies and processes for risk identification, risk assessment and risk mitigation planning for business, strategic, operational, financial and compliance related issues. The management also periodically reviews the policies and procedures and formulates plans for control of identified risks and improvements in the systems.

A risk/compliance update report is regularly placed before the Audit Committee /Board of Directors of the Company. The Directors/ Audit Committee review the risk/ compliance update reports and the course of action taken or to be taken, to mitigate and manage the risks is taken.

HUMAN RESOURCES:

The Human Resources initiative focuses on structured training programs (both in-house and external) intended to equip employees at all levels, with the necessary knowledge and experience in order to demonstrate high levels of performance.

Ladderup believes in taking care of its employees and ensuring that their career aspirations are met through professional growth, personal development and fair economic rewards.

MANAGEMENT'S DISCUSSION AND ANALYSIS

Our organization is committed and focused on identifying and retaining the right talent to meet the overall business strategy and objective. The broad range of activity includes viz., robust manpower planning process in line with the business objective, enhancement of employee skill-sets by identifying training and development needs, retention programs, reward and recognition, learning and development.

INTERNAL CONTROL AND THEIR ADEQUACY

The Company's internal control system is designed to ensure operational efficiency, protection and conservation of resources, accuracy and promptness in financial reporting and compliance with laws and regulations.

The Company being in lending and investment industry, has put in place an adequate internal control system to safeguard all assets and ensure operational excellence. The system also meticulously records all transaction details and ensures regulatory compliance.

The Company's internal control system is commensurate with the size, nature and operations of the Company.

OUTLOOK

The year 2017-18 saw rapid macroeconomic changes, fast changing business conditions, evolving consumer preferences and increasingly disruptive market environment that drove corporations to significantly rethink the manner in which they operate. After languishing for five consecutive quarters, economic activity in India is quickening. Growth is strengthening as indicated by strong sales growth by corporations, depleting finished goods inventories and restart of investment in fixed assets by corporations and expected record food grain output.

Equity markets extended their gains in H1:2017-18 into H2, with the Sensex closing at a historic high of 36,283 on 29th January, 2018 on account of various factors including strengthening macroeconomic conditions; revival of corporate sales and improving prospects for future earnings; the announcement of PSU banks' recapitalization; a jump in India's ranking in the World Bank's ease of doing business index; the ratings upgrade by Moody's; sustained net investment by domestic institutional investors; and positive cues from global equity markets.

All major components of capital flows, viz., foreign direct investments (FDI), foreign portfolio investments (FPI), non-resident Indian (NRI) deposits and external commercial borrowings (ECBs), recorded net inflows during Q3:2017-18. Gross as well as net FDI flows to India slowed in Q3 relative to preceding quarters.

However, the concerns with regard to deterioration in public finances, rising international crude oil prices, rising interest rates, uncertainties and volatility in financial markets emanating from trade protectionism and trade wars may have adverse impact on growth prospects in terms of cutbacks on public capital expenditure, rising input cost of domestic production and services etc.

CAUTIONARY STATEMENT

The Statements in this Management Discussion and Analysis Report describing the Company's objectives, projections, estimates and expectations may be forward looking within the meaning of applicable laws and regulations. Actual results might differ materially from those expressed or implied.

The Company is not under any obligation to publicly amend, modify or revise any forward looking statements on the basis of any subsequent developments, information or events.

INDEPENDENT AUDITOR'S REPORT

To

The Members of Ladderup Finance Limited,

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of **Ladderup Finance Limited**, which comprise the Balance Sheet as at 31st March, 2018, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2018, and its profit and its cash flows for the year ended on that date.

INDEPENDENT AUDITOR'S REPORT

Other Matters

The Comparative financial information of the Company for the corresponding year ended 31st March 2017, were audited by predecessor auditor who expressed an unmodified opinion on those financial statements on 29th May 2017.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the **Annexure "A"** statement on the matters specified in the paragraphs 3 and 4 of the Order.
2. As required by Section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of accounts as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - (e) On the basis of the written representations received from the directors as on 31st March, 2018 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2018 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer our separate report in **Annexure "B"**;
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - (i) The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 24 (A) (i) to the financial statements.

ANNEXURE TO THE INDEPENDENT AUDITOR'S REPORT

Annexure “B” to the Independent Auditor’s Report of even date on the Standalone financial statements of Ladderup Finance Limited for the year ended 31st March 2018.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Ladderup Finance Limited (“the Company”) as of March 31, 2018 in conjunction with our audit of the Standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions

ANNEXURE TO THE INDEPENDENT AUDITOR'S REPORT

are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ACCOMPANYING NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2018

Note 1 : Significant Accounting Policies:

A Basis of Preparation of Financial Statements:

The Financial Statements have been prepared in accordance with Indian Generally Accepted Accounting Principles (GAAP) under the historical cost convention on the accrual basis and in compliance with all the mandatory accounting standards as prescribed under section 133 of the Companies Act 2013 ('Act') read with Rule 7 of the Companies (Accounts) Rules, 2014 (amended subsequently).

The Company follows mercantile system of accounting and recognizes Income & Expenditure on accrual basis to the extent measurable and where there is certainty of ultimate realization in respect of incomes.

B Use of Estimates:

The preparation of financial statements are in conformity with generally accepted accounting principles which require estimates and assumptions to be made that affect the reported amount of assets and liabilities on the date of the financial statements and reported amounts of revenues and expenses during the reporting period. Differences between actual and estimated results are recognized in the period in which the results are materialized.

C Revenue Recognition:

- i) Profit or Loss from dealing in shares and securities are recognized on settlement dates.
- ii) Interest is recognised on a time proportion basis taking in to account the amount outstanding and the rate applicable.
- ii) Dividend on shares is being considered when the right to receive payment is established.
- iii) In respect of other heads of income, the Company follows the practice of accounting on accrual basis.

D Property plant and equipments:

Property plant and equipments are stated at cost of acquisition less accumulated depreciation. The cost of acquisition comprises the purchase price and any other attributable cost of bringing the asset to its working condition for its intended use.

E Depreciation:

- i) Depreciation on Property plant and equipments is provided on 'Straight Line Method' considering their useful lives and residual value as provided in Schedule II of Companies Act, 2013.
- ii) Depreciation on revalued assets to the extent of revaluation is charged from Revaluation Reserve.

F Impairment of Property plant and equipments:

At the end of each year, the Company determines whether a provision should be made for impairment loss on Property plant and equipments by considering the indication that an impairment loss may have occurred in accordance with Accounting Standard 28 on "Impairment of Assets". Where the recoverable amount of any Property plant and equipments is lower than its carrying amount, a provision for impairment loss on Property plant and equipments is made for the difference.

G Investments:

Investments that are intended to be held for more than a year, from the date of acquisition, are classified as long term investment and are carried at cost less any provision for permanent

ACCOMPANYING NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2018

diminution in value. Investments other than long term investments being current investments are valued at cost or fair value whichever is lower.

H Accounting for Taxes of Income:

Current Taxes

Provision for current income-tax is recognized in accordance with the provisions of Indian Income-tax Act, 1961 and is made annually based on the tax liability after taking credit for tax allowances and exemptions.

Deferred Taxes

Deferred tax assets and liabilities are recognized for the future tax consequences attributable to timing differences that result between the profits offered for income taxes and the profits as per the financial statements. Deferred tax assets and liabilities are measured using the tax rates and the tax laws that have been enacted or substantially enacted at the balance sheet date. Deferred tax Assets are recognized only to the extent there is reasonable certainty that the assets can be realized in the future. Deferred Tax Assets are reviewed as at each Balance Sheet date.

Minimum Alternative Tax

Minimum Alternative Tax (MAT) credit is recognised as an asset in accordance with the recommendation contained in the Guidance note issued by the Institute of Chartered Accountants of India. The said asset is created by way of credit to the Statement of Profit and Loss and shown as MAT credit entitlement. The Company review the same at each Balance Sheet date and writes down the carrying amount of MAT Credit Entitlement to the extent there is no longer convincing evidence to the effect that Company will pay normal Income Tax during the specified period.

I Provisions and Contingent Liabilities:

- i) Contingent Liabilities in respect of show cause notices received are considered only when they are converted into demands. Payments in respect of such demands, if any, are shown as advances.
- ii) Contingent Liabilities under various fiscal laws includes those in respect of which the Company/department is in appeal.
- iii) Contingent Liabilities if any, are disclosed by way of notes.

J Prior Period Items:

Material amount of Income and Expenditure pertaining to prior years are disclosed separately.

K Employee Benefits:

Retirement benefits in the form of Gratuity are considered as defined benefit obligations and are provided on the basis of the actuarial valuation, using the projected unit credit method as at the date of the Balance Sheet.

L Earnings Per Share:

The Company reports basic and diluted Earnings Per Share (EPS) in accordance with the Accounting Standard 20 on Earnings Per Share. Basic EPS is computed by dividing the net profit or loss for the year by the weighted average number of equity shares outstanding during the year. Diluted EPS is computed by dividing the net profit or loss for the year by the weighted average number of equity shares outstanding during the year as adjusted for the effects of all dilutive potential equity shares, except where the results are anti-dilutive.

AUDITOR'S REPORT ON CONSOLIDATED FINANCIAL STATEMENTS

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF LADDERUP FINANCE LIMITED

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of Ladderup Finance Limited (hereinafter referred to as "the Holding Company"), its subsidiaries and its associate (the Holding Company, its subsidiaries and its associate together referred to as "the Group"), comprising of the Consolidated Balance Sheet as at 31st March, 2018, the Consolidated Statement of Profit and Loss, the Consolidated Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. The respective Board of Directors of the Companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of

AUDITOR'S REPORT ON CONSOLIDATED FINANCIAL STATEMENTS

the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

AUDITOR'S REPORT ON CONSOLIDATED FINANCIAL STATEMENTS

Annexure to the Independent Auditor's Report

Annexure-A to the Auditor's Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended 31st March 2018, we have audited the internal financial controls over financial reporting of **Ladderup Finance Limited** (hereinafter referred to as "the Holding Company"), its subsidiary companies and its associate, which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The Respective Board of Directors of the Holding Company, its subsidiary companies and its associate, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for

AUDITOR'S REPORT ON CONSOLIDATED FINANCIAL STATEMENTS

external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company, its subsidiary companies and its associate, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matter

Our aforesaid report under section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting do not include one associate, which is company incorporated in India, as financial statements of the said associate is unaudited.
